

Products

Stenerson Lumber prides itself on offering quality products at competitive prices. You'll find many top-of-the-line products on our shelves and in our bins. We order premium lumber stock to reduce waste of your time and money. We show multiple displays in our stores and can order sample product so you know exactly what you're getting, before you commit. Special orders are always welcome at Stenerson Lumber.

There are differences in building materials. You can rely on our knowledge and experience at Stenerson Lumber to know that difference.
